  - Trumbull: very interesting relationship. J.Heon reviews some issues that have come up. Our site supervisor has been doing well N. McGorty asks if anyone is aware as this situation has been ongoing. (EMS commissioner) J. Heon says we are waiting it out and will wait before any decisions are made
5. Supervisor report
- J. Heon reviews as no supervisor present at this time.
  - Things are working well. No new issues to report
  - Thanks J. Burnett on getting new medics up and running so quickly.
  - New Expedition has been ordered. No delivery date yet. Old car 3 went to Derby
  - Working on updating I pads
6. Executive Session
- No executive session needed
  -
7. Old Business
- Admin building. We were approved for funding. Pulled the reins to wait for Silver Petrucelli. Every new issue was costing more money. Project was going to past \$800,000 to complete. Down payment from bank was going to be \$500,000 and that is not feasible. Decision to scale back. And look to just do some renovation to existing building. We need a new roof/ new doors. Would like to see what we can do to pay cash and still pay competitive wages to our employees.
8. New Business
- Annual meeting 10/17/19
  - J. Heon reviews what expenses have come from Trumbull and revenue from the contract and we are doing ok.
9. Other Business
- J. Burnett asks about pictures of New medics
  - No other business
